

# DigiMag<sup>®</sup> PAPER

## Inkjet Printable Magnetic Sheet

### Expand your Printing Capabilities with DigiMag<sup>®</sup> PAPER Magnetic Sheet.

White, printable magnetic sheets for desktop and wide-format dye- and pigment-based inkjet printers. Now you can create your own personalized magnets in any color, combination of colors... even exciting full color.

### DigiMag<sup>®</sup> PAPER has Multiple Uses and Features.

You can purchase DigiMag<sup>®</sup> PAPER inkjet printable magnetic sheet in rolls or in sheets, cut to your specifications.

- Flexibility... DigiMag<sup>®</sup> PAPER lays flat and adheres to most metal surfaces or magnetic receptive RubberSteel<sup>®</sup> sheet.
- Easy to use... Clean Cut Technology eliminates adhesive build up and residue on your cutting equipment.
- DigiMag<sup>®</sup> PAPER magnet can be cut with a knife or scissors to any desired shape.
- Permanent bond outperforms conventional magnetic material by virtually eliminating delamination.
- Special surfaces bring out the brilliant color of your creations. DigiMag<sup>®</sup> PAPER is available in matte and premium gloss finishes.
- Easy to Store.
- Works with a variety of inkjet printers including Canon<sup>®</sup>, Epson<sup>®</sup>, and HP<sup>®</sup>. DigiMag<sup>®</sup> PAPER magnetic sheet is safe for most dye- and pigment-based printers.
- DigiMag<sup>®</sup> PAPER is suitable for indoor applications only.
